

# 24.7 control

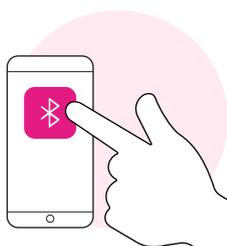

## 22MM MOTOR SPECIFICATION

Rechargeable  
Battery

Set up to 6 Limits

App Control

### FEATURES

- DC tubular motor
- 3kg maximum load capacity
- Simple installation
- Rechargeable built-in lithium-ion battery
- Lightweight (320g)
- Low noise (under 40dB)
- Low power consumption
- Compatible with 32mm tube
- Minimum blind size: 500mm
- 5-year guarantee on motor\*
- 2-year guarantee on battery\*

### SPECIFICATION

Charging voltage	DC5V
Charging current	0.5A
Battery capacity	1500mA/h
Rated torque	0.5N.m
Rated speed	25rpm
Rated power	3.7W
Rated current	0.5A
Locked-rotor current	≤1A
Sleeping current	<150uA
Shut-down current	<10uA
Operating temperature	-20°C ~ +55°C
Outer tube diameter	22mm
Control way	Bluetooth remote/App control
Received frequency	2.4GHz
